The ITS Trail is proud to announce the support of Representative Phil Hare. Congressman Hare represents Illinois' 17th Congressional District, which includes most of the communities affected by the ITS Trail, and the entire physical route of the trail. Congressman Hare states: "I would like to offer my strong support to the efforts of the ITS Trail Committee as they work to develop this trail system". If you would like to read Congressman Hare's entire letter, please [click here](#) (PDF reader required).

Congressman Hare's support adds to resolutions of support from Senator Dick Durbin, six local communities, and four local organizations. For more information, click on our [Resolutions of Support](#) page.
