The Staunton City Council has approved a resolution to allow the ITS Trail Committee to place 9" x 12" signs displaying the ITS logo and web address on existing posts, which currently have Bike Trail or Street Signs mounted on them. This project is being undertaken to make the community, and riders passing through Staunton, aware that Union St is the path for the proposed ITS Trail. The sign blanks have been ordered and as soon as they are ready, they will be on display along Union St.
