A group of ITS Trail Committee members enjoyed a ride in the 2008 Staunton Homecoming Parade. Watch as two sets of recumbent tricycles pull signs in the parade to promote local community activities. Take a look, you may see yourself or someone you know.

The recumbent cycles, ITS Trail members, and their families & friends also participated in the:

- Gillespie Black Diamond Days Parade
- Mt. Olive Homecoming Parade
  
- Bunker Hill Homecoming Parade
- Tour De Donut
- Dorchester Homecoming Parade
- Tour De Coal
