We are always looking for new ITS Trail Committee members. Membership has its privileges: entry into an annual lottery for a prize such as a new bicycle, etc. You may also participate in the activities of the ITS Trail organization as we work towards the goal of the new recreational trail from Staunton to Benld.

Membership applications are available online as an Adobe Acrobat file (requires Adobe Acrobat, prints out well), and a regular web-page (works even if you don't have Adobe Acrobat):

- Membership form in Adobe Acrobat
- Membership form as a regular web page

While we encourage new members, if you are interested in a straightforward donation, we would be happy to accept that, also. Please send monetary donations by check to 916 N. Easton, Staunton, IL 62088. We will note your donation on the website.

If you would like to simply keep up with events, please send us an email (info@its-trail.org), and we will add you to our email list for announcements such as important news and meetings.
