From the St. Louis Arch, the trail will travel north via the McKinley Bridge over the Mississippi River, and through the municipalities of Venice, Madison, Granite City, Pontoon Beach, Collinsville, Maryville, Glen Carbon, Edwardsville, Hamel, Worden, Staunton, Sawyerville, Benld, Gillespie, Carlinville, Girard, Virden, Auburn, Chatham and Springfield. Seen along the way are beautiful lakes, wetlands, streams, forest, farmland, and a horizon filled with bluffs, prairies and wildlife. The ITS Trail will be a family oriented pathway that provides a safe, wheelchair accessible, asphalt paved, non-motorized way to travel, exercise and relax while enjoying the outdoors, including access to motorized wheelchairs for handicapped persons with a physician's certification. We envision this trail will result in increased tourism and development, benefit government, education, business, and labor, but most of all, could greatly improve the quality of life for those who take advantage of the trail.
