The ITS Committee is pleased to announce a generous donation from the Boeing Employees Bicycle Club. The BEBC coordinates the Tour de Donut every year, in conjunction with the Staunton Chamber of Commerce.

Following the Tour de Donut, Dave Sweeney presented a check for \$3,500 from the Boeing Employees Bicycle Club to Jarid Ott, who is the ITS Committee's executive director. The ITS Committee is pleased to announce the donation, and we wish to express our thanks to the generous members of the BEBC, not only for their donation, but also for the many years they have worked on the Tour de Donut. The Tour de Donut is an excellent event for the community.
